Corporate & Institutional Support Is Appreciated!

The primary purposes of the program are:

- Honor all military personnel past and present.
- Provide private financial support for various programs that in turn provide support and benefits to present and former military personnel and their families.
- Promote patriotism, respect for our Flag, and appreciation of America.

It is comprised of three elements:

- A week-long display of 250 or more 3'x5' American Flags placed along the circular central roadway in the hosting facility, Mobile Memorial Gardens.
- An opening ceremony featuring speakers, music, and other activities.
- Sponsored ID tags attached to the flags honoring past and present members of the military.

Who are the organizers? The lead organization for this effort is the South Alabama Veterans Council, a local Veterans Service Organization. Mobile Memorial Gardens serves as the host and provides the venue. The SAVC, established in 1994, is made up of Veterans and supportive non-veterans. We believe more should be done to educate the public about military service and the reason why our Flag represents something so special.

We hope your organization will see the benefit of supporting this highly patriotic effort. Please consider joining with us with a corporate sponsorship for this effort. Additional information and forms are also available at www.FlagsOfGlory.org
